

ENTERING GRADE 3 2025-2026

June 2025

Dear Parents,

Welcome to the 3rd grade! Students are required to complete the IXL Summer Boost for both Math and Language Arts for rising 3rd Graders. This is to encourage students' review for past lessons from the previous year and build a strong foundation for the third grade. Students are required to get a Smartscore of 80% or higher!

In addition, students are expected to complete the attached *Summer Reading Challenge*. To meet the requirement, students should read for at least 20 minutes per session and color in a minimum of 25 boxes on the challenge sheet. The challenge sheet is due by Friday, August 29th.

Have a great summer!
