ENTERING GRADE TWO  
2020 - 2021

June 2020

Dear Parents:

Students **entering grade 2** are required to read two books. Students need to read one fiction and one non-fiction book of their choice. We are not providing a list this summer. Students will create a book jacket or book cover for both the fiction and non-fiction book at home. They are due the week of September 7<sup>th</sup>. These grades will be included in the first trimester reading grade.

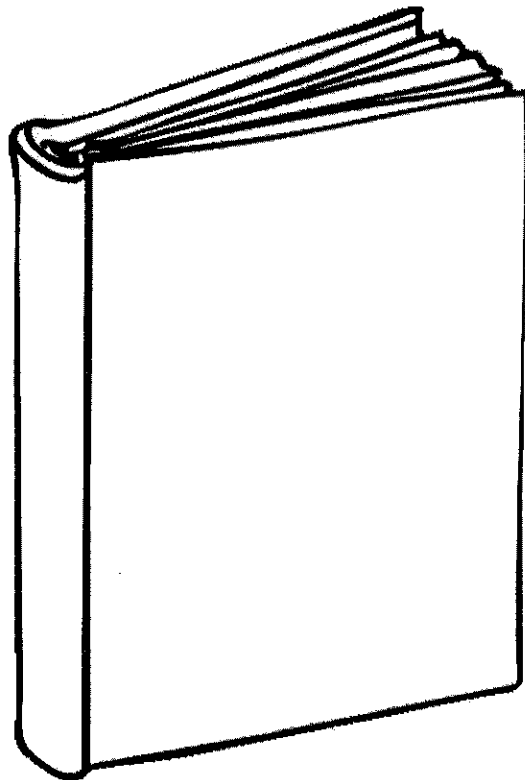

We encourage you and your child to visit the library frequently. The reading of these and other books is a way to establish good reading habits, and build a strong vocabulary.

Sincerely,

*The Second Grade Teachers*

# Draw a Book Jacket for Summer Reading

It is your job to draw a book jacket for your summer reading. The project will be fun! The purpose of a book jacket is to give the reader an idea about what the book will be about. Your design must be an original. Be creative! Please color your picture. After designing the book jacket, please explain your design in one or two sentences. Don't forget to include the title on your book jacket.
