

St. Ursula School/Extended Day Program
8900 Harford Road
Baltimore, Maryland 21234
410-665-3533

June 2026

Dear Parents,

Extended Day is a program offered for before and after care. Listed below is information and guidelines, including the new rates, for this program. In order to have adequate staffing, we are asking all school families who are intending to use Extended Day to register for next year by **June 30, 2026**. Extended Day will begin September 1, 2026. ***If you do not register by June 30th you will not be able to start until September 8th in order to allow adequate time to review all of the necessary paperwork.***

Registration information is attached and may also be found on the school website (www.stursula.org) under the "Academics" tab. Please return all forms via email to the school office at susoffice@stursula.org or mail to St. Ursula School, 8900 Harford Road, Baltimore, MD 21234.

Sincerely,

Emma Riemer

Extended Day Director

Hours Of Operation:

7:00 a.m.- 7:40 a.m.

2:45 p.m. - 6:00 p.m.

Registration Fees:

Registration fees are non-refundable

One child	\$25.00
Two children	\$35.00
Three or more children	\$40.00

Current Fees Beginning August 2025 are as follows:

Morning:

Part Time: \$12. per child per morning

Full Time: \$47.00 per child per week

Afternoon:

Part Time: \$24.00 per child per afternoon

Full Time: \$94.00 per child per week

Both Morning and Afternoon Full Time:

\$140.00 per child per week

Registration Requirements:

The following forms must be returned in order for your child(ren) to start on September 1, 2026. These forms must be completed every year.

- Registration form
- Authorization form
- Emergency form, both pages 1 and 2. This form does not require a doctor's signature. Health Questionnaire
- Health Inventory Part 1. This form does not require a doctor's signature.

The following forms, ***if applicable***, must be returned in order for your child(ren) to start on September 1, 2026. These forms need to be completed every year.

- Allergy and Anaphylaxis Medication Administration Authorization Plan (2 pages)
- Seizure/Convulsion/Epilepsy Disorder Medication Administration Authorization Plan (2 pages)
- Asthma Action Plan (2 pages)

The attached forms are often updated and are the only versions that are permitted by regulation. Any completed forms that are submitted using a prior version will be returned to you and may cause a delay in processing your registration. If you have any questions please contact the school office at susoffice@stursula.org.

Parent's Guide to Regulated/ Licensed Child Care

Information About Child Care Facilities

Who Regulates Child Care?

All child care in Maryland is regulated by the Maryland State Department of Education, Office of Child Care's (OCC), Licensing Branch.

The Licensing Branch's thirteen Regional Offices are responsible for all regulatory activities, including:

- Issuing child care licenses and registrations to child care facilities that meet state standards;
- Inspecting child care facilities annually;
- Providing technical assistance to child care providers;
- Investigating complaints against regulated child care facilities;
- Investigating reports of unlicensed (illegal) child care;
- Taking enforcement action when necessary; and
- Partnering with community organizations and consumers to keep all children in care safe and healthy.

Regulations governing the Maryland State Department of Education (MSDE) fall under COMAR Title 13A. Regulations that govern child care facilities and other information about the Office of Child Care may be found at:

earlychildhood.marylandpublicschools.org/child-care-providers/licensing

What are the types of Child Care Facilities?

Family Child Care – care in a provider's home for up to eight (8) children with no more than two under the age of two.

Large Family Child Care – care in a provider's home for 9-12 children.

Child Care Center – non-parental care in a group setting for part of a 24 hour day.

Letter of Compliance (LOC) – care in a child care center operated by a religious organization for children who attend their school.

All facilities must meet the following requirements:

- Must obtain the approval of OCC, fire department, and local agencies;
 - Must have qualified staff who have received criminal background checks, child abuse and neglect clearances, and are not on the sex offender registry;
 - Must maintain certification in First Aid and CPR;
 - Must maintain approved staff and student ratio and provide ACTIVE supervision all times when children are in care;
 - Must offer a daily program of indoor and outdoor activities;
 - Must maintain a file with all required documentation for each enrolled child;
 - Must post approved evacuation plans, conduct fire drills, and emergency preparedness drills; and
 - Must report suspected abuse and neglect, and may not subject children to abuse, neglect, mental injury, or injurious treatment.
- The provider's license or registration must be posted in a conspicuous place in the facility;
 - A child care provider must enter into a written agreement, with a parent, that specifies fees, discipline policy, presence of animals, the use of volunteers, and sleeping arrangements for overnight care;
 - Parents/guardians may visit the facility without prior notification any time their children are present;
 - Written permission from parents/guardians is required for children to participate in any and all off property activities;
 - All child care facilities must make reasonable accommodations for children with special needs;
 - A qualified teacher must be assigned to each group of children in a child care center;
 - Staff:child ratios must be maintained at all times in child care centers;
 - Parents/guardian must be immediately notified if children are injured or have an accident in care;
 - Parents/guardians may review the public portion of a licensing file; and
 - Check Child Care Maryland, CheckCCMD.org, is a resource for parents and families to use to review child care provider's license status, verified complaints, compliance history, and inspection results.

ST. URSULA SCHOOL

2026-27

EXTENDED DAY HANDBOOK

Revised 06/01/2026

Philosophy/Goals

The Extended Day program is operated under the auspices of St Ursula School, with the same emphasis on children living out their Catholic faith in everyday life. The atmosphere is one of caring and concern while fostering personal and social growth in each child.

The Extended Day program strives to construct an enjoyable atmosphere with varying activities, including vigorous play, art activities, homework time, and indoor play. The children are served a nutritious snack and drink every day.

Admission Policies

Children must be enrolled in St Ursula School to be registered with Extended Day. Extended Day is a privilege, not a right. Parents and students must understand that they must obey the rules and regulations in order to continue in the program.

Registration is held prior to the start of each school year. Any registration received after the due date will be considered late. Students registered after the due date will not be permitted to attend Extended Day until the delayed start date. The due date and delayed start date will be determined prior to the start of registration. In order for students to attend Extended Day, all completed registration forms must be on file. Missing forms or information will delay admission to the program.

Billing

Daily and weekly rates are established prior to the beginning of the school year.

Full time participants will be billed for the current month at the beginning of the month. If school is closed for any reason or your child is absent, you will be billed for the lost time.

Part time participants are billed at the beginning of the following month for days in attendance the prior month.

Plan choice options are determined by the parent/guardian. If you wish to change your plan, it must be submitted in writing.

Billing is processed through your FACTS account monthly. Invoices must be paid by the 20th of the month. **FAILURE TO PAY IN FULL BY THE 20TH OF THE MONTH MAY RESULT IN SUSPENSION FROM THE PROGRAM UNTIL FULL PAYMENT IS RECEIVED.**

Hours of Operation

Morning 7:00-7:40 a.m.

Afternoon 2:45-6:00 p.m.

Extended Day closes at 6:00 PM under normal circumstances. This includes scheduled early dismissal days. Anyone picking up late will be charged a fee of \$1.00 per minute *per child*. Late fees are not billable. Fees are due at pick-up time. If the fee is not paid at pick-up, an invoice will be issued. Failure to pay a late fee invoice within 20 days will result in suspension from the program until paid in full.

Inclement Weather, Late Opening or Early Dismissal

Saint Ursula School and Extended Day follows the Baltimore County Public School decision on these days including cancellation of all after school activities. You will receive notification from our school email system regarding any school cancellations, or postponements. **If Baltimore County Schools are previously scheduled to be closed on an inclement weather day you will receive a message regarding any cancellations or postponements for Saint Ursula School.**

For those attending Extended Day, the following procedures are in effect:

- If school opens 1 hour late, Extended Day opens at 8am.
- If school opens 2 hours late, Extended Day opens at 9am.
- If school closes 1 or 2 hours early, Extended Day closes at 4pm.
- If school closes 3 hours early, Extended Day closes at 3:00 pm.
- If BCPS after school activities are canceled, Extended Day **closes at 4 pm.**

Anyone registered with Extended Day is welcome to utilize the morning or afternoon program in the event of late opening or early dismissal.

Communication

Parents may not engage any of the Extended Day workers or students in conference or communication. Concerns should be brought to the attention of the Director of the program.

If your child attends Extended Day, please do not email daily changes to Extended Day. Instead, please email any changes to the school office and/or the teacher. Extended Day staff are not in the building during the school day.

Parents may not communicate with their child while they are in attendance at Extended Day. Use of cell phones by students is not permitted while they are in attendance.

Morning Drop Off

Morning Extended Day is held in the lunchroom. Drop off is at the first set of doors on Manns Avenue (doors closest to Harford Road to the left of the doors used to enter the school office). Drop off begins at and NOT BEFORE 7:00 AM. Parents are welcome to walk their child(ren) into the building as far as the interior doors. Parents may not enter the lunchroom at drop off time.

There is no food service/consumption of food or drink during morning Extended Day. Please have your child eat breakfast before arriving in the morning.

Morning Extended Day ends promptly at 7:40 AM. Any students arriving after 7:40 AM must enter the building using the Neifeld Avenue entrance and following the morning drop off procedures. Students may not be dropped off at the school office during morning arrival (7:40-8:10).

Afternoon Pick Up

An Authorization Form and an Emergency Form are required as part of the registration packet. Any person listed on either form will be permitted to pick up your student. Photo identification will be requested for verification. If a question arises, a phone call will be made to confirm pick up arrangements. Please make sure the information on all forms is complete and current. Children may not leave until they are signed out. Any changes in normal pick up arrangements must be submitted in writing.

Pick-up is held in the lunchroom. Parents may not enter the lunchroom during pick up. After signing out your child(ren), please wait in the hallway. Please do not enter the two classrooms located in this hallway.

Attendance

Attendance is taken as the students arrive at Extended Day. Students must come directly to Extended Day directly from their classrooms, unless they are attending an afterschool activity. Students attending an afterschool activity are marked in attendance once the activity ends and they arrive at Extended Day.

Once students are signed out of Extended Day or dismissed from school, they may not return until the following school day.

After School Activities

Students who are enrolled in afterschool activities are dismissed from their homerooms directly to that activity. After the activity ends, students that arrive at Extended Day are given a snack and must work on their assigned homework.

We do not escort students outside of the school building for any afterschool activities. Arrangements for escort must be made by parents for any activity held anywhere other than in the school building.

Daily Schedule

Normally, Extended Day operates on the following schedule Monday-Thursday. This may change due to special events, early closure due to inclement weather, or other unplanned events.

2:45-3:15 All students arrive and are served a snack and drink

3:15-4:15 Students in PreK through grade 3 go outside

Students in grades 4-8 inside for homework

4:15-5:00 Students in grades 1-3 inside for homework

Students in grades 4-8 go outside

Students in grades PreK and Kindergarten have play time from 3:10-5:00 Mon-Fri

There is no homework time on Fridays or, if school is closed on Friday, the last school day of the week. Students have play time from 3:30 -5:00.

Daily, at 5:00 all remaining students are gathered in the lunchroom.

This schedule is subject to change without notice.

On occasion we do show movies, have organized games, crafts, dancing, make use of the Wii, etc. Students remain with their assigned group during these activities.

Food Service

Students are provided a healthy snack and drink daily upon arrival at afternoon Extended Day. Our snack schedule is posted in the lunchroom. ***Students may bring additional healthy snacks and drinks to Extended Day. Please do not send soda or food that requires refrigeration.***

There is no food service **during** morning Extended Day. Students must eat breakfast prior to arrival.

Food Allergies

If your child has a documented food allergy, please supply an afterschool snack. Please send the healthy snack in your child's lunchbox.

Homework

Students in grades 1-8 work independently on homework. They are supervised in a group setting monitored by staff members. If the students ask for help or have questions, we offer assistance. We do not check homework for accuracy or completion. Students must bring all books and materials needed to complete their assignments. Homework time is not an option. All students are expected to participate, have their own supplies, work quietly, and have a book

to read in the event that they finish early. Students may not return to their classrooms for any reason after dismissal.

Playtime

All students have play time daily. We DO go outside daily. Please have your student dressed appropriately, especially for the cold weather. Hats, scarves, and gloves are encouraged. Girls may wear sweatpants, pajama pants or leggings in addition to their jumper during Extended Day.

Uniform

Students must stay in their school uniform during Extended Day. They may change into tennis shoes upon arrival. It is the student's responsibility to remember to do so and secure their uniform shoes. We are not responsible if a student forgets to change shoes or loses shoes. Students may not change out of their uniform until after they are signed out for the day.

Health

If a student presents with an illness during Extended Day that warrants exclusion, the parents/guardian will be contacted. These illnesses include, but are not limited to: vomiting, fever, and diarrhea. If we are not able to contact a parent/guardian, we will contact an adult listed as authorized to pick up the student. The Health Room is notified when students are sent home due to illness. We do not contact parents/guardians for minor cuts, bruises, injuries or bathroom "accidents". Parents are notified at pick up time of minor incidents. The school nurse is not on duty during Extended Day hours.

Health/Medication Forms

If your child has a documented medical condition and/or requires medication during Extended Day, please notify the program directors. Extended Day must have completed Medication Administration forms on file to administer any medications. These are not the forms used by the school's Health Room. The forms may be found on the school's website. All prescribed medications must be in the original container from the pharmacy with the pharmacy label attached. Over the counter medication must be in the packaging clearly marked with the student's name.

Discipline

Any student who consistently misbehaves, is non-cooperative, or fails to comply with the stated rules will receive a demerit. This must be signed by both the student and a parent/guardian and returned within 2 days.

Three demerits will result in a 3 day suspension from the program to be determined by school administration.

Time outs are used for younger students and are age appropriate. Students being uncooperative or argumentative during any activity will be removed from the activity for a brief period to regroup. The student will be given another opportunity to participate. If after two attempts are made and the problem continues, the student will be redirected to another activity.

General Rules

1. Each child is expected to participate in all activities.
2. No child is to leave a supervised area without expressed adult permission.
3. No foul language, profanity, inappropriate conduct or disrespectful behavior will be tolerated.
4. As stated in the school handbook, items such as toys, games, cell phones, personal electronic devices, radios, CD's or other articles from home are inappropriate in school and Extended Day and may not be used in Extended Day.
5. On occasion movies will be shown to the students. Selected movies are rated G or PG.
6. On occasion students will be permitted to play the Wii in a group setting.
7. All policies listed in the Student/Parent handbook also apply during Extend Day.
8. Students and parents may not go to the classrooms for any reason during Extended Day hours. Please do not ask any staff members for permission to do so.

Extended Day follows all policies listed in the Student/Parent Handbook

HEALTH INVENTORY

Information and Instructions for Parents/Guardians

REQUIRED INFORMATION

The following information is required prior to a child attending a Maryland State Department of Education licensed, registered, or approved child care or nursery school:

- **A physical examination** by a health care provider per COMAR 13A.15.03.04, 13A.16.03.04, 13A.17.03.04, and 13A.18.03.04. A Physical Examination form designated by the Maryland State Department of Education and the Maryland Department of Health shall be used to meet this requirement (See COMAR 13A.15.03.02, 13A.16.03.02, 13A.17.03.02 and 13A.18.03.02).
- **Evidence of immunizations.** The immunization certification form (MDH 896) or a printed or a computer-generated immunization record form and the required immunizations must be completed before a child may attend. This form can be found at: <https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms> Select MDH 896.
- **Evidence of Blood-Lead Testing for children younger than 6 years old.** The blood-lead testing certificate (MDH 4620) or another written document signed by a Health Care Practitioner shall be used to meet this requirement. This form can be found at: <https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms> Select MDH 4620.
- **Medication Administration Authorization Forms.** If the child is receiving any medications or specialized health care services, the parent and health care provider should complete the appropriate Medication Authorization and/or Special Health Care Needs form. These forms can be found at: Select Forms OCC 1216 through OCC 1216D as appropriate. <https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms>

EXEMPTIONS

Exemptions from a physical examination, immunizations, and Blood-Lead testing are permitted if the parent has an objection based on their bona fide religious beliefs and practices. The Blood-Lead certificate must be signed by a Health Care Practitioner stating a questionnaire was done.

Children may also be exempted from immunization requirements if a physician, nurse practitioner, or health department official certifies that there is a medical reason for the child not to receive a vaccine.

The health information on this form will be available only to those health and child care providers or child care personnel who have a legitimate care responsibility for the child.

INSTRUCTIONS

Part I of this Physical Examination form must be completed by the child's parent or guardian. Part II must be completed by a physician or nurse practitioner, or a copy of the child's physical examination must be attached to this form.

If the child does not have health care insurance or access to a health care provider, or if the child requires an individualized health care plan or immunizations, contact the local Health Department. Information on how to contact the local Health Department can be found here: <https://health.maryland.gov/Pages/Home.aspx#>

The Child Care Scholarship (CCS) Program provides financial assistance with child care costs to eligible working families in Maryland. Information on how to apply for the Child Care Scholarship Program can be found here: <https://earlychildhood.marylandpublicschools.org/child-care-providers/child-care-scholarship-program>

9. RECORD OF IMMUNIZATIONS – MDH 896 or other official Immunization document (e.g. military immunization record of immunizations) is required to be completed by a health care provider or a computer generated immunization record must be provided. (This form may be obtained from: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms Select MDH 896.)							
10. RECORD OF LEAD TESTING - MDH 4620 or other official document is required to be completed by a health care provider. (This form may be obtained from: https://earlychildhood.marylandpublicschools.org/child-care-providers/licensing/licensing-forms Select MDH 4620) Under Maryland law, all children younger than 6 years old who are enrolled in child care must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age. If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.							

Additional Comments: _____

Health Care Provider Name (Type or Print):	Phone Number:	Health Care Provider Signature:	Date:

How To Use This Form

- **A health care provider may provide the parent/guardian with a copy of the child's blood lead testing results from ImmuneNet as an alternative to completing this form (COMAR 10.11.04.05(B)).**

Maryland requires all children to be tested at the 12 and 24 month well-child visits (at 12-14 and 24-26 months old respectively), and both test results should be included on this form (see COMAR 10.11.04). If the test at the 12-month visit was missed, then the results of the test after 24 months of age is sufficient. A child who was not tested at 12 or 24 months should be tested as early as possible.

A parent/guardian and a child's health care provider should complete this form when enrolling a child in child care, pre-kindergarten, kindergarten, or first grade. Completed forms should be submitted by the parent/guardian to the Administrator of a licensed child care, public pre-kindergarten, kindergarten, or first grade program prior to entry. The child's health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature sections. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.

Frequently Asked Questions

1. Who should be tested for lead?

All children in Maryland should be tested for lead poisoning at 12 and 24 months of age.

2. What is the blood lead reference value, and how is it interpreted?

Maryland follows the CDC blood lead reference value, which is 3.5 micrograms per deciliter ($\mu\text{g}/\text{dL}$). However, there is no safe level of lead in children.

3. If a capillary test (finger prick or heel prick) shows elevated blood lead levels, is a confirmatory test required?

Yes, if a capillary test shows a blood lead level of $\geq 3.5 \mu\text{g}/\text{dL}$, a confirmatory venous sample (blood from a vein) is needed. The higher the blood lead level is on the initial capillary test, the more urgent it is to get a confirmatory venous sample. See Table 1 (CDC) for the recommended schedule.

4. What kind of follow-up or case management is required if a child has a blood lead level above the CDC blood lead reference value?

Providers should refer to the CDC's Recommended Actions Based on Blood Lead Level (<https://www.cdc.gov/nceh/lead/advisory/acclpp/actions-blls.htm>).

5. What programs or resources are available to families with a child with lead exposure?

Maryland and local jurisdictions have programs for families with a child exposed to lead:

- Maryland Home Visiting Services for Children with Lead Poisoning
- Maryland Healthy Homes for Healthy Kids – no-cost program to remove lead from homes

For more information about these and other programs, call the Environmental Health Helpline at (866) 703-3266 or visit: <https://health.maryland.gov/phpa/OEHFP/EH/Pages/Lead.aspx>.

Maryland Department of the Environment Center for Childhood Lead Poisoning Prevention:
<https://mde.maryland.gov/programs/LAND/LeadPoisoningPrevention/Pages/index.aspx>

Families can also contact the Mid-Atlantic Center for Children's Health & the Environment Pediatric Environmental Health Specialty Unit – Villanova University, Washington, DC.

To the best of my knowledge, the vaccines listed above were administered according to the provided information in Maryland's Immunization Information System.

Clinic / Office Name
Office Address/ Phone Number

1. _____
Signature Title Date
(Medical provider, local/state health department official, school official, or child care provider only)

2. _____
Signature Title Date

3. _____
Signature Title Date

Signature lines 2 and 3 are for certification of vaccines given after the initial signature. Otherwise, this form may not be altered.

COMPLETE THE APPROPRIATE SECTION BELOW IF THE CHILD IS EXEMPT FROM VACCINATION ON MEDICAL OR RELIGIOUS GROUNDS. ANY VACCINATION(S) THAT HAVE BEEN RECEIVED SHOULD BE ENTERED ABOVE.

MEDICAL CONTRAINDICATION:

Please check the appropriate box to describe the medical contraindication.

This is a: Permanent condition OR Temporary condition until ____/____/____
Date

The above child has a valid medical contraindication to being vaccinated at this time. Please indicate which vaccine(s) and the reason for the contraindication, _____

Signed: _____ Date: _____
Medical Provider / LHD Official

RELIGIOUS OBJECTION:

I am the parent/guardian of the child identified above. Because of my bona fide religious beliefs and practices, I object to any vaccine(s) being given to my child. This exemption does not apply during an emergency or epidemic of disease.

Signed: _____ Date: _____

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella, measles, mumps, or rubella**.
2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.
3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).
4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.
5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the MDH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

"A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:

- (1) Preschool program unless the student's parent or guardian has furnished evidence of age-appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
- (2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
- (3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine."

Please refer to the "**Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools**" to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and MDH COMAR 10.06.04.03 are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the "**Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs**" guideline chart are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

Name of School: _____ Grade: _____

All students can achieve a healthy mouth, provided they practice protective health habits from childhood and have the opportunity to benefit from present-day knowledge of dental disease prevention and control. If your child has not visited your family dentist within the last six months, we advise you make an appointment immediately. After the dental appointment, the signed form should be returned to the school your child will be attending.

A Dental Visit (with a completed signed form) is required when your child enters either:

A PreK Program

Kindergarten

Grade 3

Grade 5

Or is transferring from another school

Report of Dental Examination:

- A. _____ No Dental Treatment is Necessary.
- B. _____ All Necessary Dental Treatment Has Been Completed.
- C. _____ Treatment is In Progress.
