ENTERING GRADE 7
2021- 2022

May 2021

Dear Parents:

Each student is expected to read two books during the summer break. A test will be given on the identified test book the first week of September. Each student will read a second book which will be summarized at home and discussed in reading circles. The written summary is also due on the first week of September. Reading circles will take place in school on early to mid-September. **Students should list three choices from the Reading Circle list on the lines below and one book will be assigned by June 7, 2021.** The written summary, participation in reading circles, and test will count toward the first trimester ELA grade.

We encourage you and your child to visit the library frequently. The reading of these and other books is a way to establish good reading habits and build a strong vocabulary.

Sincerely,

The Reading Curriculum Committee
